Meeting with Group 1/27/22

What we're working on

- How are everyone's SRS documents going?
  - They're all going well
- Talking about the Trello
- Container
  - Stephen and Cesar will figure out what we need to do for containers and possibly servers
  - Maybe Cesar will be able to work through the container process (work in that environment for the other four)
- Emailing Vajda about container
- Connor:
  - Where can I put my help?
- Google Doc send out right after meeting
- Cesar completing task - what kind of data we're holding for a tasks (him and Connor will figure this out)

Action Items

- ⇒ Google Docs sent out
- ⇒ Emailing Vajda
- ⇒ Talking about Containers
